Total System Activations: Includes all activations of the camera system for any reason. Includes vehicles that stop beyond the limit line, but still stop.

Rejections: Activations non-prosecutable due to various factors including visual obstruction, weather, obscured license plate, lack of vehicle registration information, etc.

Notice to Appear Issued: Moving violation ticket mailed to the driver for running the red light. (Issued from results of nominations sent in other months).

Notice of Nomination Cites Issued: Number of cites issued based on Nomination letters returned during the current month. The actual violation may have occurred during previous months.

(Nominations are sent to the registered owner requesting that they name or nominate the actual driver of the vehicle at the time of the violation. Used when the red light photograph does not match the photograph of the registered owner.)

* Red Light Camera suspended. No data available.
