Hi Lieutenant Lau,

I am Shelley Darensburg, Sr. Contract Compliance Officer for the City Administrator's Contracts and Compliance Division.

Attached is a Civil and Wage Penalty Assessment filed by the State of California Labor Commissioner against Redflex Traffic Systems, Inc. the contractor of record for the Photo Red Light Enforcement Project.

I contacted Mr. Gilbert Garcia of OPD and he informed me that you are the project manager for this project. Please feel free to contact me if you need assistance.

Thank you,

Hi Jimmie,
Attached, please find a labor violation letter dated October 18 2013 regarding Redflex titled REDFLEX LABOR VIOLATION . I was advised that this was actually let by Purchasing Services .

Also, Please see attached letter Public information request provided by compliance.

By the way, if this contract is still active , the vendor needs to be on LCP Tracker so certified payrolls may be reported. Do you know who in OPD administers this contract ?

Debbie,
Vivian reminded me that we received a request for information from the Labor Commissioner back in 2011. We provided what we had and referred to the Labor Commissioner to Jimmie Jackson because he let the purchase order (see attached letter). We have not heard anything since. Thank you,
Shelley
