RE: Termination of Contract No. 7681

Dear Mr. Noble,

This letter constitutes formal notice of termination of Contract No. 7681 between GATSO USA and the City of West Hollywood dated November 20, 2015 (Automated Red Light Camera Enforcement System) pursuant to Section 6.1 (Termination for Convenience) of that Contract. This notice of termination is effective as of March 4, 2020.

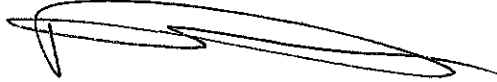

As you know, Amendment #1 to the Contract dated July 20, 2017 establishes the operational date of the first camera as March 1, 2017. Pursuant to Section 6.1 of the Contract, either party may terminate without cause and without penalty, in its sole discretion, upon thirty days' written notice at any time after the third anniversary of the date that one or more cameras are first operational. Pursuant to Amendment #1, the third anniversary is March 1, 2020.

Accordingly, except as provided herein, GATSO USA is hereby directed to cease services after March 4, 2020, meaning that, as provided in Section 6.4 of the Contract, GATSO USA is hereby directed to cease image capture activities and issuance of Red Light Camera citations after that date. Notwithstanding the foregoing, and as further provided in Section 6.4, GATSO USA shall continue to assist Deputy Trent Miles in processing and prosecuting citations issued pursuant to images captured on or before March 4, 2020 until final disposition is reached. GATSO USA will be compensated for those continuing services as provided for in the Contract.

Finally, as provided in Section 6.5 of the Contract, GATSO USA is hereby directed to remove all hardware from the public right-of-way by or before March 30, 2020. The City will consider an extension of this deadline for good cause shown. Hardware not removed from the right-of-way by the deadline will be removed by the City at GATSO USA's expense and will be disposed of by City as it deems appropriate.

Thank you for your service to the City. Should you have any questions about this notice of termination or GATSO USA's obligations hereunder, please contact the undersigned at (323) 848-6507.

Sincerely,
