Re: Traffic Collisions at El Camino Real and Encinitas Blvd for last 10 years

Dear [REDACTED]

I understand that you had requested a case listing of traffic collisions for the intersection of El Camino Real and Encinitas Boulevard for the last 10 years from the Department of California Highway Patrol. The CHP's data shows a total of 58 collisions during this period. This amount is significantly less than what the City of Encinitas has recorded at this intersection. The City of Encinitas has recorded a total of 107 collisions between January 1, 1994 and August 31, 2004.

In order to provide you with more complete data, I have enclosed a copy of the City of Encinitas' traffic collision history at the intersection of El Camino Real and Encinitas Boulevard between January 1, 1994 and August 31, 2004. *

Please feel free to contact me at 760-633-2705 if you have any questions.

Sincerely,

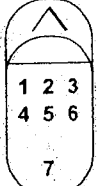

Rob Blough
